

# Find Dop Certification for RADs

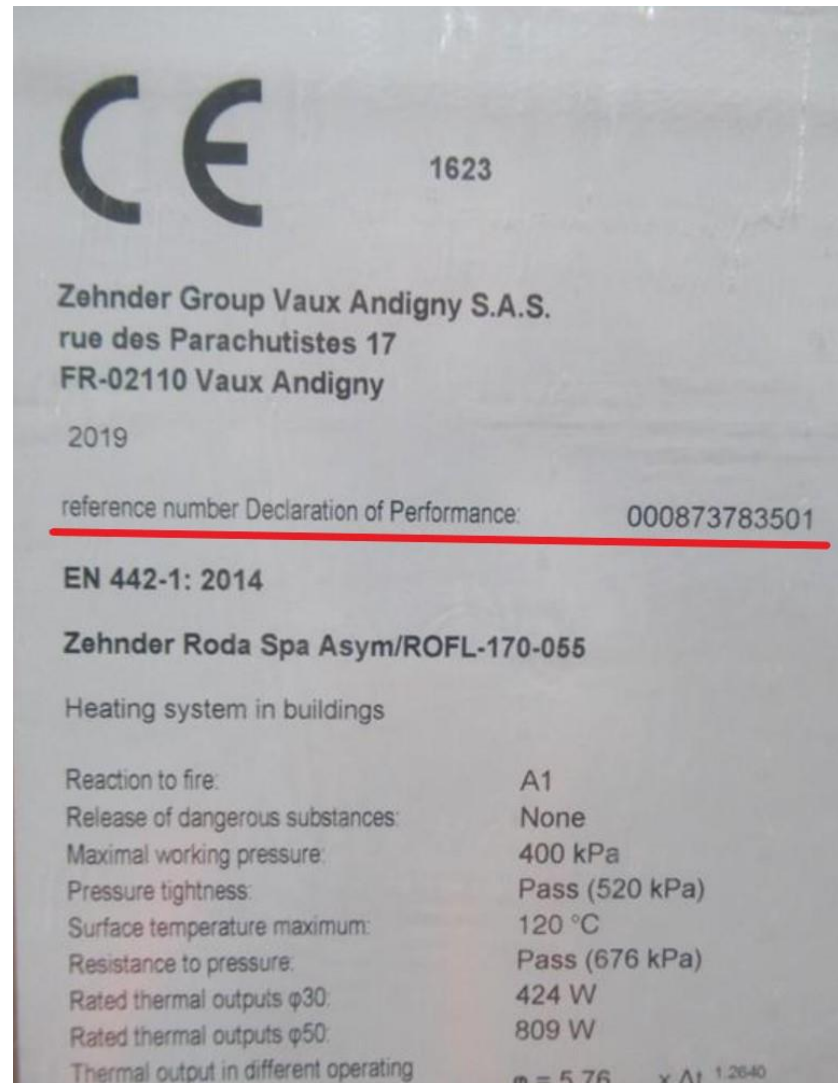

Quick Guide

# Step 1- Find the product pindop number!

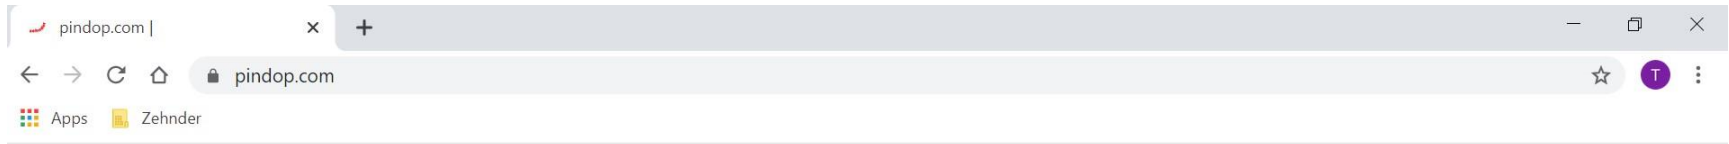

Find the product pindop number (Reference number Declaration of Performance) on the package of the product!

The pindop number is generated by an SAP label printer that prints it on the label of a product in the production.

The products from PLA and PBO have pindop number on their Label. PMA puts a sticker on the packaging or inside the packing with the DoP's

# Step 2 – Insert in your web browser www.pindop.com

Home Search for your DoP - Declaration of Performance of Zehnder Group products

Language: English

Please enter your DoP

Search

- > Copyright
- > Disclaimer
- > Privacy policy

# Step 3 – Select your language

Home Search for your DoP - Declaration of Performance of Zehnder Group products

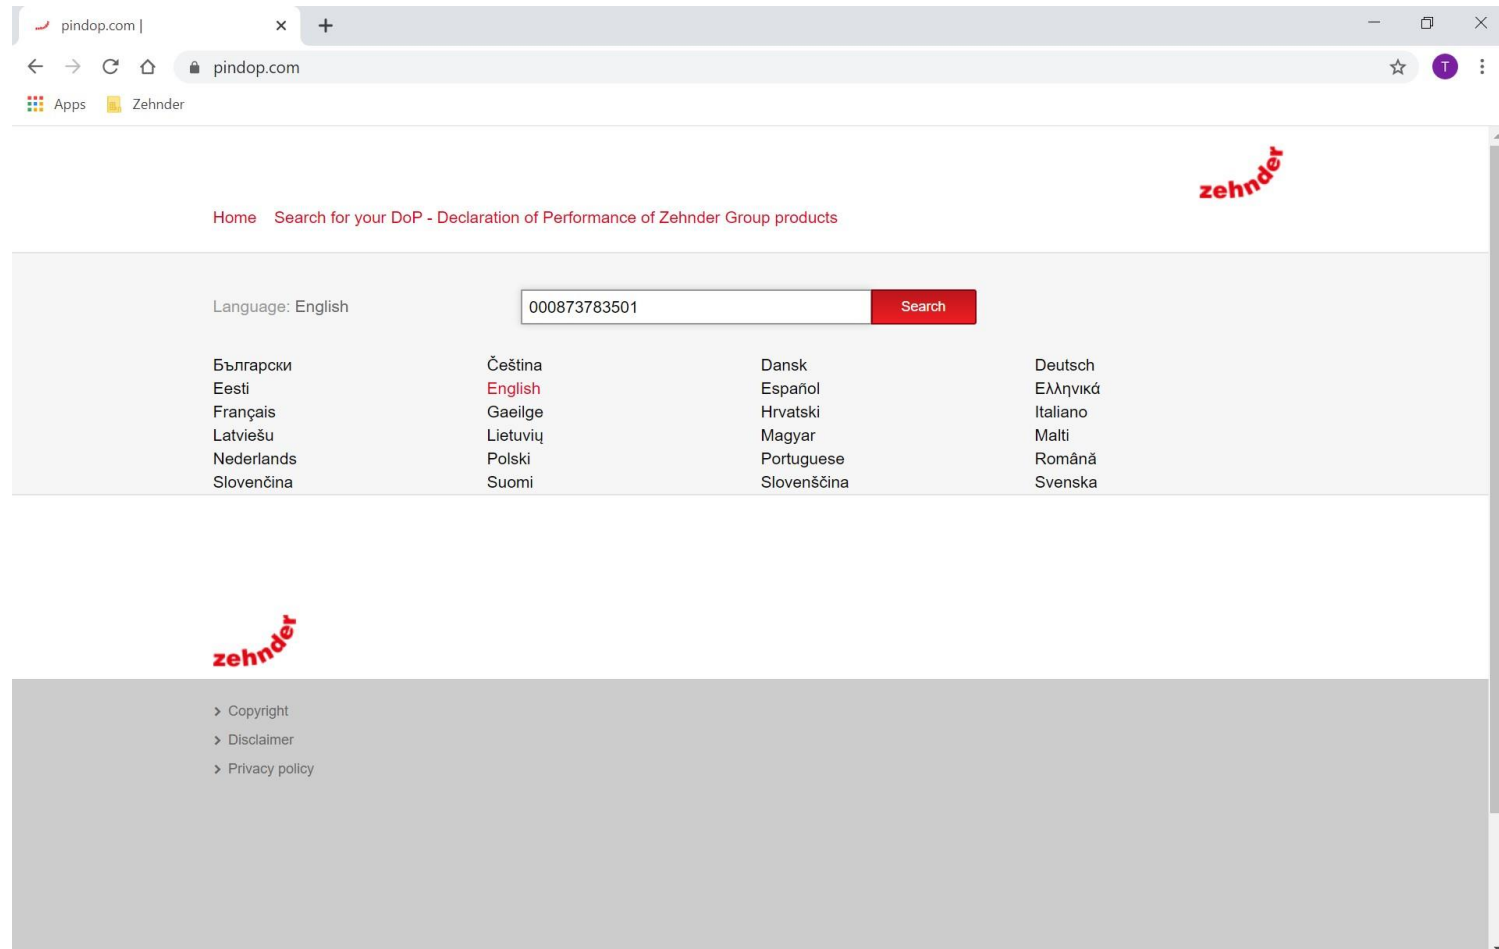

Language: English

Български	Čeština	Dansk	Deutsch
Eesti	English	Español	Ελληνικά
Français	Gaeilge	Hrvatski	Italiano
Latviešu	Lietuvių	Magyar	Malti
Nederlands	Polski	Portuguese	Română
Slovenčina	Suomi	Slovenščina	Svenska

> Privacy policy

https://www.pindop.com/en

Step 4 – Insert your DoP number of the product and then click Search button. DoP number is a unique identification code for each product-type.

# Step 5 – See the results. To get the Dop in .pdf format you need to select PDF Download

The screenshot shows a web browser window with the URL `pindop.com/en/dop/en/000873783501/html`. The page header includes the Zehnder logo and navigation links for Home and Search. A search bar contains the text "Please enter your DoP" and a red "Search" button. Below the search bar, the search results for "000873783501" are displayed. The results include a "PDF Download" button and a detailed declaration of performance for a Zehnder product.
