Radiator surface: Hand-polished stainless steel

## Operation on central heating system

The Zehnder Alban decorative radiator from the Studio Collection is a designer piece made of hand-polished, high-quality stainless steel with horizontally arranged square pipes and vertical header tubes. Bath towels can be effortlessly inserted at the side and hung up with just one hand. Square tubes 50 x 30 mm, header tubes 30 x 30 mm. Thermal outputs to EN 442, with CE marking.

4 x 1/2" female thread on the ends of the header tubes. Option to choose installation as right-hand or left-hand version (flow/return at the bottom with left or right options), distance 50 mm; 2 x 1/2" directional air vent at top, screwed in at the factory for installation as right-hand version. Delivered ready to install with elegant wall brackets in chrome.

## Standard scope of delivery for operation on central heating system

- Hand-polished stainless steel
- 4 x 1/2" connections for flow, return, vent
- 2 x directional air vent 1/2" screwed in at the factory for installation as right-hand version
