ZEHNDER CHIME

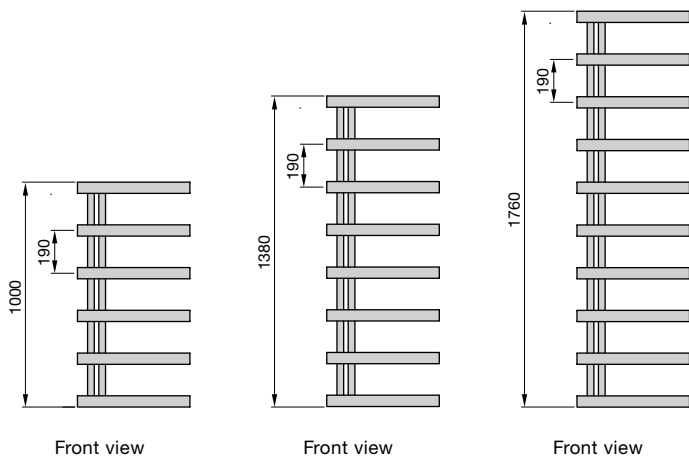

STUDIO COLLECTION ZEHNDER CHIME

The most powerful of radiators: powerful and charismatic design, embodied by elegant round tubes with an open side to comfortably hold, dry and heat even very bulky bath towels. Chime from the Zehnder Studio Collection, the rounded design variant made of hand-polished stainless steel, which can be used in either a left or right-hand version. Zehnder Chime gives your bathroom a decisive touch, while pleasantly warming your bath towels.

Advantages

- Maximum comfort and convenience
- Flexible installation thanks to the possibility of left or right-handed installation
- Robust stainless steel surface and ergonomic shape of the radiator allow easy and quick cleaning
- Hand-polished stainless steel
- Available for hot water operation
